# The time to apply is now!

We are so excited to announce the Doug Miller & Don Sanders Scholarship is now accepting applications. It's a once-in-a-lifetime opportunity that couldn't be closer to our hearts.

The recipient not only is bestowed a four-year college education with living expenses paid, but can start their journey into the world debt-free - ready to change the world!

## There are two ways to apply:

1. Download & print the application. Make sure it is in the mail (postmarked) by April 15, 2020.
2. Through this online form. (Hint: Read the application first to see all the documents you will need to upload. Take the time to gather those, then apply in one sitting.)

Doug Miller and Don Sanders both believed that a college degree was important to life success. However, both struggled financially to get their college educations - yet they did!

Sadly, Doug and Don passed unexpectedly a few years ago, leaving their wives Colleen Sweeney and Kathy Butler in despair. The four had been friends for decades. Out of their grief, the women wanted to create something that honored their late husbands.

This scholarship was designed to do just that.

With Colleen and Kathy serving as the non-profit's Executive Directors, they appointed younger loved ones, Sanders Butler and Maddie Profilet, as Directors. Backed by love, experience, and dedication, we expect this to help many youth discover higher education.

Will you be the first recipient? Apply now!
